ERG SPOTLIGHT

The YMCA of Greater Rochester Women's Employee Resource Group (ERG) serves as a safe space and offer support to women along with all Y staff teams. The Y Women's ERG is designed to offer staff a platform to share knowledge by hosting seminars, workshops, and events geared around personal and professional development. All while building meaningful connections within the Rochester community and the YMCA movement.

DID YOU KNOW?

Women still lag in top leadership positions in business - only 11% of Fortune 500 company CEOs are women. At the YMCA of Greater Rochester, 33% of the Association Office Senior Management are women.
