PARENT/GUARDIAN AGREEMENT AND PERMISSIONS

I consent to the enrollment of the child listed above in this facility and have been advised and read all of the policies regarding administration of medications, fees, transportation and the services provided by the facility, and the Office of Children and Family Services regulations under which it operates.

- The YMCA assumes responsibility for my child's well being during the hours of operation in which my child attends the program. In the case that the YMCA cannot reach a parent/guardian, the emergency contact listed above has permission to make decisions regarding the care of my child, including permission to pick up my child from the YMCA program in case of emergency or dismissal from the YMCA.
- In the event of an emergency, the YMCA will make every effort to contact me. If I cannot be reached, the YMCA is authorized to act for me according to their best judgment in an emergency requiring medical transportation, care, or surgery. The physician selected may hospitalize, secure proper treatment for, order injection, anesthesia, or surgery for my child.
- I am responsible for the cost of all medical treatment and care.
- I have provided information on my child's special needs (Allergies, Diet, Disabilities, and/or Medical Information) to the provider, as may be necessary to assist the facility in properly caring for my child in case of an emergency. I agree to review and update this information whenever a change occurs and at least once every six months.
- The information on this form is complete and accurate. I have provided the YMCA with all of the necessary information to properly care for my child's needs.
- I must notify the YMCA staff immediately of any changes on this form.
- The YMCA's responsibility for my child begins when the child has reached the program and checked in with YMCA staff. For BASP Program, my child is responsible for walking from the bus or classroom to the YMCA program. It is my responsibility to arrange for any necessary transportation with the school my child attends. It is my responsibility to notify the YMCA staff if my child will be absent from the program.
- It is my responsibility to arrange for my child to be picked up from the program before closing. If my child is not picked up on time and attempts to contact me have failed, another authorized person will be contacted. If all attempts to contact an authorized person to pick up my child have failed, the YMCA staff will contact Child Protective Services and/or police officials for further instructions.
- Should a person arrive to pick up my child who appears to be under the influence of drugs or alcohol, for the child's safety, staff may have no recourse but to contact the police.
- YMCA staff and volunteers are not allowed to baby-sit or transport children at any time outside of the YMCA program.
- I understand that my child needs to be in the program no later than 9:30am. I will notify staff or call if my child will arrive later than 9:30am.
- The YMCA is mandated, by state law, to report any suspected cases of child abuse or neglect to the appropriate authorities for investigation.
- I give permission for my child to take walks around the grounds with designated staff members, participate in water activities and/or swim lessons, and also participate in field trip excursions away from the facility and under the direct supervision of YMCA staff.
- I understand and agree to the child care conduct, transportation, and participation policies as outlined in the parent handbook. I am aware that a hard copy of the handbook is available upon request.
- The YMCA has permission to use photographs and videos of my child in promotional materials such as brochures, ads, YMCA website, or newspaper releases. The United Way may also use these photos/videos in publications and promotional pieces. I will not be informed or reimbursed for such photographs.
- I understand that the YMCA may conduct confidential assessments involving my child for the purpose of continuous quality program improvements and also to make sure each child is within typical boundaries developmentally if appropriate for particular programs.
