Our Mission

The YMCA of Greater Rochester is a charitable association of members that seeks to place Christian principles into practice through its programs for the community to build a healthy spirit, mind, and body for all.

Our Cause

At the Y, strengthening community is our cause. We believe that positive, lasting personal and social change can only come about when we all work together to invest in our kids, our health, and our neighbors.

Everyone Is Welcome

The YMCA welcomes families and persons of all ages, income levels and physical conditions with an emphasis on responsibility and self-improvement. We don't turn anyone away for inability to pay. Please do not hesitate to ask us about our Financial Assistance program opportunities.

Volunteer at the Y

We know first-hand how difficult it can be to find balance in life. That's why we're here with you every day, making sure that you, your family and our community have the resources and support needed to learn, grow and thrive.

With a focus on developing the potential of kids, improving health and well-being, and giving back and supporting our neighbors, your participation will not just bring about meaningful change in yourself, but in your community too.

Business leaders, community advocates, parents, teenagers and individuals support their neighbors by volunteering at the YMCA. To find out about meaningful volunteer opportunities, contact your local Y.
